

# CALL FOR ART

## EXPOSURE

### Allen Street Hardware's Artistic Vision

Since its opening, The Allen Street Hardware Cafe adorned its walls with the work of local painters, photographers, and other artists to reflect the spirit of Buffalo. The artwork generally changes each month, creating a fresh and vibrant atmosphere. Our curator has committed herself to solicit the creations of artists working in our community to produce bold, innovative, and compelling statements through artistic expression.

Inspired from these ideas, the June Art Exhibition is EXPOSURE: The Art of Nude Photography. We are seeking pieces that explore the human form; pieces may be in any format: painting, photography, etc. Images that challenge social boundaries and touch on the taboo will be favored.

Exhibition Opens August 30  
Runs Until: September 10

***SUBMISSION DEADLINE: Sunday, August 10***
